"LESS TALK - MORE MUSIC".....

MANY of you will have noticed that a certin other radio station (didn't think there were any others) have nicked our great slogan and have plastered it all over bus shelters in the vicinity of Donnybrook and a few other places. Onl one thing

can be said and thats that imitat-  
ion is the greatest form of flattery  
so thank you Q 102 !. NEWS.NEWS.NEWS

RECEPTION REPORT received and confirmed this week from the town of Kalmar in Sweden.....Plans for an All Time Top 100 are well under way and it is beleived that the programme will be Tx-  
ed on the Halloween Bank Holiday.....  
Following the large demand from DJ's for copies of the list of all the al-  
bums in the studio, a list is now in progress for all the singles in the 2  
drawers in the studio and should be ready soon.....Copies of the famous Energy 103 project that I did are av-  
ailable from me still free to all the Energy staff.....Fergal O'Hanlon who rings up each week has asked me to pass on greetings to all the DJ's.  
If anybody has an address for Alan Burns who left in June could they let me know as Anne Boylan wants it.....

STICKERS & BADGES...STICKERS & BADGES

FOLLOWING the great promos produced by Pat and starring himself and Bob there has been a massive response to the invitations for listeners to send in their SAE's and well over 150 of them have been received to date and answered.

## PROGRAMME NEWS ; ALL the programmes are the

same as last week and a couple of new things include the arrival of Garreths new secretary to join Des,Max and all the other characters on his show.....NEWS from the all

night show DJ's is that there are going to be a lot of new songs played from contemporary albums by "the most prolific artists" No doubt some other stations will be flattering us by imitation on this idea too.....

OTHER THINGS ; The light that shines down from the front of the building to let you see whos outside on the camera has broken

down and will be fixed during the week - till then you can keep the main reception light on and it will shine some illumination on the pavement in front of the door.....

SUNSHINE's Kahuna has now finished and the winner was Louis McGuire from Rathfarnham.

THINGS ON OFFER::::::::::::::::::::FREE !!

PEOPLE might be interested to have a copy of a list provided by the ITV service that gives all the pages and subjects of the Oracle service, anyone who wants it can let me know.....Also available now to anyone interested in independant radio is a

set of press cuttings on the subject

## CONGRATULATIONS to the News Team

and especially Lisa for her exciting and prompt reporting of the spanish air strikes on two successive Fridays. Without doubt Lisa and Energy's news team were the first media service to let the public know these developments as they were relayed to Garreth within seconds of happening.
