The RADIO GEMINI Documentary

Now you can hear for yourself, in super mono sound, the true story behind the operation of Radio Gemini.

This story, available on cassette and told by the Gemini Crew, lasts approximately 40 minutes and is illustrated with numerous off-air recordings of Radio Gemini, as received in various parts of Europe.

Side 2 of the cassette contains a selection of studio quality IDs and Promos covering the period 1973 - 1976.
